

## AGENDA

09:30 - 10:00

Registration

10:00 - 12:00

### Key Megashifts & Foresights Planning our Preferred Future

- Discover the key megashifts that are certain to happen in the next 5-7 years
- Develop the key foresights so that we can plan our preferred future
- Understand the impact of 'Thinking Machines' on our economy and society (with good and not so good)

12:00 - 12:30

Break

12:30 - 14:00

### Transforming Your Company & Leadership Approach with Exponential Thinking

- How can you embrace and realize the changing nature leadership, above and beyond profit and growth?
- What human skills (such as emotional intelligence) will you need to strengthen, alongside the strategic, financial or technological and engineering ones you may have already mastered?
- And how can you leave backwards-looking or stagnant decision-making behind and start deploying a future mindset with exponential thinking?

14:00 - 15:00

Networking Lunch

15:00 - 16:30

### Working Group

How can you think 10x / exponential and still remain human?

16:30 - 17:30

### Plotting Our Way Forward
