## Inauguration and Visits to Hospitals

On April 12th, visits were made to the General Hospital of Chania "St. George" and to the General Hospital of Rethymno, to deliver the equipment we offered thanks to the donation of the OTE Group to the Paediatric Departments of these two Hospitals. [\(read more\)](#)

On April 9th, the Paediatric Clinic of the General Hospital of Kilkis was inaugurated. It was renovated by our Charity with funding provided by "Norton Rose Fulbright Greece". [\(read more\)](#)

## THALIS II- Mapping and Evaluation of the Non Profit Organizations in Greece

The Charity "Pediatric Trauma Care" participated in the **“THALIS II Mapping & Evaluation of the Non Profit Organizations in Greece”** program, conducted by the Political Science and International Relations Department of the University of the Peloponnese and the Non Profit Organization HIGGS in collaboration with researchers from 3 universities, and was funded by the Charitable Foundations: TIMA Charitable Foundation, Stavros Niarchos Foundation, Athanasios K. Laskaridis Foundation, Captain Vassilis and Carmen Constantakopoulos Foundation and John S. Latsis Public Benefit Foundation. A total of 107 organizations completed the evaluation process of the program, selecting the fields of activity corresponding to their work.

**Our Charity was evaluated in two fields of activity (Education and Health), receiving 4 stars in both fields, which was the highest score awarded to NGO’s who participated in the program.** In particular, only 9 NGOs received 4 stars in the “Health” field and only 12 NGOs received 4 stars in the “Education” field.

*We wish you a lovely summer!*
