

Testimonial Letter

I am pleased to write this testimonial regarding Berling's experience with Global Sustain.

Berling S.A. is a member of Global Sustain network since 2014 and our team is pleased and impressed with both the methodology and people we dealt with throughout our cooperation.

Global Sustain people communicate with us almost daily, keeping us continuously updated on the status of all our CSR and sustainability concerns. They have been responsive to all our requests including additional reporting needs and networking opportunities.

In addition, they facilitated workshops and meetings that enabled us to define and optimize our sustainability processes to align with our company goals and business structure.

We believe in open and honest relationships with Global Sustain and looking forward to our further cooperation. I highly recommend Global Sustain as a trusted partner in Sustainability.

Kind regards,

BERLING A.B.E.E.
